

Apartments 3rd Floor

RA Hailee Aro

haro01@hamline.edu

About Me:

Welcome to the Apartments 3rd Floor! My name is Hailee, and I am your RA. I am an incoming senior Biology and Forensic Science major. On campus, I work in the Biology lab and at Public Safety. I am from a small town about three hours north of Hamline. I enjoy spending my free time reading, hanging with friends, spending time with my dog, or outside. I am so excited to meet all of you!

Bring It!

- Command strips
- Power strips (with an on and off switch)
- Pots, pans, silverware, plates
