

Welcome to Drew LGBTQIA+ and Social Justice Floor (3rd)

My name is Bailey Winden (he/him) and I will be your RA for the 2023-2024 academic school year. I will be a junior here at Hamline and am double majoring in philosophy and religion, and minoring in digital media arts. I grew up in Blaine, Minnesota and went to high school at Spring Lake Park High School (Go Panthers). I love the outdoors, reading, and drawing. I am involved in many things here on campus such as The Fulcrum, Climbing Club, D+SA equipment desk, Starbucks, Women Boss Up, and Transform. I try my best to be as involved in the community as I can be since it really makes a difference in your enjoyment here at college, so hit me up if you want a buddy to go to events with!

I am spending my summer as a Program Specialist for Camp True Colors at One Heartland (summer camp for lgbtqia youth) and am so excited to come back to Hamline in the Fall now that we have an entire floor dedicated to LGBTQIA residents! I myself am transgender and queer, and am always open to talking about my experience with that here at Hamline so far, as well as just random things like tips, worries, and resources for the LGBTQIA+ students here.
