

Hello, Manor 1st Floor!

I am Jessa Schroetter (she/her), and I'll be your Residential Assistant for the 2023-2024 academic year! I'm excited to meet all of you! I am a senior majoring in Criminal Justice with a concentration in Forensic Psychology. I grew up in Northern Minnesota and enjoy hiking, being outside, and spending time with friends. One fun fact about me is I grew up fostering animals and have fostered over twenty dogs:)

I am so excited to meet you all! I know most of you will be upperclassmen and know your way around Hamline already but don't hesitate to ask questions!
